

# User' s guide of Hekinan Skateboard Park

## Precautions for use

- Priority is given here to skateboarding, BMX (No metal bar ends, pegs and pedals) and inline skating. If you do not have these users, you can use other sports as long as the facility is not damaged.
- Please be considerate of each user when you use.
- **When using the facility, we recommend the use of protective gear such as helmets and protectors.**
- **We are not responsible for any injuries or accidents in the facility.**
- Please keep in mind the use according to your own skill, and do not overdo the challenge and dangerous use.
- **When children under elementary school age use, we recommend accompanied by parents.**
- **We are not responsible for any loss or theft here.**
- You cannot pick up equipment that has fallen into the sea. Please use it with care not to drop it.
- Please take garbage home with you. Let's use here neatly together.

## Prohibited matter (If the facility is intentionally damaged,

you may be required for repair cost.)
