<Attention>

- ◆ Please contact the Hekinan City Waterworks Department before the deadline if you pay through a financial institution or convenience store shortly before the due date to avoid water supply stoppage due to a misunderstanding.
- ◆ We sincerely apologize if you receive this letter after having already paid.
- ◆ Failure to pay the charges after suspension will result in termination of the user's water supply contract. Terminated water supply contracts cannot be renewed until the customer pays the entire amount of outstanding charges up to the termination date in addition to the unpaid fees shown on the left to Hekinan City's Waterworks Department.
